GREEN TRANSPORTATION
LOOKING TO GET AROUND THEY KEYS WITHOUT LEAVING A TON OF FOOTPRINTS? TRAVEL GREEN
Key West is a 4-mile-wide island so you can bike or walk anywhere. We Cycle the official Green Transportation of Fantasy Fest and Zombie Bike Ride producers offers free delivery and pick up for any bike you rent from them in Key West. Call (305)292-3336 and reserve your ride today.

If biking is not for you don’t worry hop on the free Duval Loop and get dropped off at your favorite party. Want to take a diversion and see the sights? Take a ride on the Conch Train or the Old Town Trolley and see all the island has to offer on the longest running and eco-friendliest tour. Call (305) 296-6688 and book your trip today. If you are staying on a sister island then Up The Keys, Uber, Keys Shuttle and Ahoy Taxi will be providing shared rides the full 10 days of Fantasy Fest to Key West and festival central.

CAR FREE KEY WEST
The island of Key West encourages everyone to forget their cars once they get to the Keys. Walk, bike, or bus around town using any of the great options below. Help us make sure everyone arrives safely and happily at their destination this Fantasy Fest!

WALKING
Almost every downtown destination is less than a 15-minute walk from another. Pay attention when crossing intersections, as cars and bicycles might not see you. Especially use caution downtown during the Street Fair, Masquerade March and Bud Light Fantasy Fest Parade.

BICYCLING
Locals know that the best way to get around town is by bicycle. If you don’t already have access to a bike, there are many great bicycle rental stores around the island. Make sure they give you a light to use after dark! When on the road, act like a car. When on a sidewalk, yield to pedestrians. Be a PAL: Predictable, Attentive and Lawful at all times. Pedicabs are also great ways to let someone else do the bicycling for you.

REGULAR BUS ROUTES DURING FANTASY FEST WEEK:
• Maps showing bus stops and times, and real time service are available at www.kwtransit.com. Real time bus information is also available by calling (305) 600-1455.
• The Lower Keys Shuttle is a great way to get to Key West from anywhere up to Mile Marker 52.5. One way cost is $4.00 and you get dropped downtown where the action is.
• Road closures begin the weekend of the Bahama Village Goombay Festival, Oct. 19 and Oct. 20, 2018, which causes delays and detours to regular bus service, scheduled pick-up points and times. Updated information will be posted at www.kwtransit.com.
• On Saturday Oct. 27, 2018, regular bus service will operate until 4:59 PM, at which time ALL City and Lower Keys bus service will convert to SAFE RIDE shuttles (see below) for the Bud Light Fantasy Fest parade.
• The new Duval Loop will be running all week during Fantasy Fest. It’s free and frequent and air conditioned!
• With the exception of the Duval Loop, City bus routes will NOT provide any service west of Simonton Street on either Friday or Saturday of Oct. 19-20 (Goombay) or Oct. 26-27 (Fantasy Fest).

POSTERS

Tiffany Beasi’s artwork reflects the Florida landscapes that she calls home. From ocean waves and sea creatures to colorful and sunny vistas, her paintings are influenced by the environment around her. Her vibe fits perfectly with the laid-back themes of Key West.

From a pool of many talented artists, Beasi’s painting was selected to represent Fantasy’s Fest 2018 theme: “Oh the Games We Play!” The colorful painting features a joker rolling into Key West on ocean waves, just in time for the city’s biggest festival. He’s juggling cards, shells, and starfish, with the southernmost point and Key West’s famous roosters in the background. The image combines her familiar ocean themes with the joy and silliness of this year’s Fantasy Fest theme.

Beasi said she had always wanted to submit a poster for the contest, but when she learned about this year’s theme, the image materialized quickly. She is excited to see her image displayed during the festival. “This artwork has a happy and fun tone, and I’m hoping to inspire Fantasy Fest goers to have a great time.”

Originally painted on acrylic paint and canvas, using her signature vibrant color scheme, replicates will be available for purchase. Don’t miss an opportunity to have the poster signed by the artist on October 23rd at 5 pm at the Poster Signing Party at WineO, located at La Concha Hotel, 430 Duval St.

FANTASY FEST 2018

PARADE STARTS HERE AT 7 P.M.
CONTINUES TO UNITED STREET
Whether you come to dress up and go all out at Fantasy Fest, or you just dream of shutting down and completely recharging, there’s always a place to play out your wildest fantasies in The Florida Keys & Key West.

fla-keys.com  1.800.fla.keys

It’s always been paradise.
For a few days, it’s fantasy island.
Best enjoyed with friends.
ENTER THE FANTASY ZONE

On Friday, October 26 and Saturday, October 27, portions of Duval Street and the adjoining side streets will be designated as the official Fantasy Zone. The city of Key West will temporarily suspend the open container law within the Fantasy Zone for these two days ONLY. From Noon to Midnight revelers can stroll, march, rumble, rumba or merengue while enjoying cocktails along Duval Street from Front to South Streets, as well as intersecting cross streets from Simonton to Whitehead Streets.

For your safety, glass bottles are not allowed. Please use the Festival To-Go Cup available at local bars and from vendors. Of course, thanks to our thoughtful city staff, all festival-goers may properly dispose of drink containers in the many recycle bins available at Fantasy Zone exits.

PORT-O-LETS SPELL RELIEF

Port-o-lets are just about everywhere you may need to go during the Street Fair, and the Bud Light Fantasy Fest Parade. Fantasy Fest sponsor, Waste Management, is providing safe and clean relief stations bordering the Duval Street festival activities.

A MINOR REMINDER

All festival attendees must have been born on or before the current date in 1997 to purchase or consume alcohol at the Street Fair booths. Please make sure you have appropriate identification in order to purchase alcoholic beverages. Any person who purchases alcohol for a minor will be cited and arrested. We want you to enjoy the festival so please be mindful of this law.

HERE TO SAVE THE DAY

Key West Fire Department personnel will provide first aid treatment through the use of emergency gators during the festival on Friday, October 26 and Saturday, October 27. In case of emergency, please call 911 with your location and the emergency vehicles will arrive as quickly as possible. Rescue trucks will be strategically stationed at various locations around the Fantasy Zone. Have fun and be safe!

PARTY ALL NIGHT LONG

The Key West Tourist Development Association and the Key West Police Department welcome you to Florida’s premier masking and costuming celebration and encourage you to participate in all of the many exciting events that make up Fantasy Fest. We want you to have a fantastic time but following a few simple rules will make Fantasy Fest 2018 a safe and enjoyable time.
CODE OF CONDUCT
THE CITY OF KEY WEST POLICE DEPARTMENT SUMMARIZES THE FOLLOWING RULES AND LAWS BY WHICH YOU MUST ABIDE:

• No glass containers are allowed in the designated “Fantasy Zone.” Drink from our FESTIVAL TO GO CUP, or paper or plastic cups provided by bars and vendors.

• Open containers of alcohol are not allowed outside the Fantasy Zone. Please stay inside the party area while you are carrying open alcoholic beverages. For your convenience, trash cans and recycle bins are located along the boundary of the Fantasy Zone. Toss your cups in the recycle bins as you leave the area as Waste Management now recycles plastics 1-7.

• The Fantasy Zone is marked with purple caution tape. As you leave the Fantasy Zone, please remember that all usual laws apply.

• Nudity is ILLEGAL and is NOT allowed on public property or in public view at any time inside or outside of the Fantasy Zone.

• Lewd acts on public property or in public view are strictly ILLEGAL and NOT tolerated.

• Body painting is allowed but must be performed in enclosed or screened in areas, entirely out of public view. Painted female breasts are permitted ONLY WITHIN the designated Fantasy Zone. Outside of the Fantasy Zone, please wear a cover-up to avoid ILLEGAL exposure on public property and on all city streets.

• No backpacks, coolers, packages, water guns, weapons or replica weapons will be allowed.

Please be courteous and patient with law enforcement officers, parade volunteers, and with each other.
EACH YEAR, THE BUD LIGHT FANTASY FEST PARADE winds through the world famous Duval Street from the Gulf of Mexico to the Atlantic Ocean. Lavishly decorated floats and costumed revelers entertain tens of thousands of spectators in the premier Fantasy Fest event. With this year’s “Oh..The Games We Play” theme, expect the 2018 Bud Light Fantasy Fest Parade to dazzle and amaze you with creations that will toy with you visually and puzzle your mind.

The Bud Light Fantasy Fest Parade route begins in Candy Land (the end of Southard Street) travels through Scattegories and returns to Life. Be prepared for Trivial Pursuits, Risks and Monopolies and most definitely some Jeopardy. The parade kicks off at 7pm on Saturday, October 27th…BINGO!

WHEELCHAIR ACCESS
A special area for wheelchair-accessible viewing of the 2018 Fantasy Fest Parade will be available on Duval Street at Truman Avenue. Accessible parking and port-o-lets will be available near the Gato Building at the corner of Virginia and Simonton Streets.

BARRICADES
Barricades will be placed in congested areas along the parade route to keep spectators safe and to allow the parade entrants room to perform. These simple yet vital pieces of equipment can keep revelers from ending up under the wheels of a magnificent float. They’re put up with safety in mind, so please be a good sport when city employees begin setting them in place before the parade.

The parade needs extra leeway from the crowd at intersections where the procession makes turns. Please cooperate with parade ambassadors and law enforcement personnel to provide a safe turning radius for the parade vehicles.

Please be cautious around the barricades and step out of the way when city workers disassemble them after the parade. It’s a challenging job, at the end of a busy day, so please be appreciative when you see them hard at work.

PARADE AMBASSADORS
More than 100 Parade Ambassadors will be stationed along the parade route to help keep the spectators out of harm’s way and from under the wheels of the rolling festivities.
These very special people stay sober on party night to be the responsible shepherds of the Fantasy Fest Parade.

You will recognize these noble, fun-loving people by their distinctive T-shirts. They each have undergone extensive training sessions for this very important job and they are in radio contact with the parade director and law enforcement personnel. Please let them know we appreciate them. Smile, thank them, and cooperate with their directions.

**IT’S POLITE TO ASK FIRST**
Please ask permission before snapping photos of other party-goers and practice positive festival etiquette by treating other people's costumes as works of art. Look and admire, but don’t touch!

**STREET CLOSURES**
TO ACCOMMODATE THE MANY STREET ACTIVITIES DURING FANTASY FEST, PORTIONS OF SEVERAL STREETS WILL BE CLOSED DURING THE FESTIVITIES AND THE PARADE.

- On Friday, Oct. 26, 2018, Duval Street from Front Street to Truman Avenue is closed to traffic beginning at 10 AM. Side street crossings are at Front Street, Eaton Street, Fleming Street, Southard Street, Angela Street, Olivia Street, and Truman Avenue.
- On Saturday, Oct. 27, 2018, beginning at 10 AM, the following streets will be closed: Duval Street is closed from Front Street to Truman Avenue. Front Street, Eaton Street, and Truman Avenue are the only accessible cross streets.
- On Saturday, Oct. 27, 2018, from 4 PM until the parade ends, Whitehead Street is closed from Truman Avenue to Front Street. All Duval crossings are closed from Front Street to United Street. Southard Street from Truman Waterfront to Simonton Street will also be closed.
- Several parking lots will also be closed from 8 AM on Friday, Oct. 26, 2018 until noon on Sunday, Oct. 28, 2018: the parking lot in the 500 block of Thomas Street, the parking lot in the 300 block of Fleming Street, as well as the 500 block of Angela Street.

**PEDESTRIANS**
Use caution at all times while traveling in the downtown area during the Street Fair, the Masquerade March and during the Fantasy Fest Parade. And, as always, be sure to have a stellar time!

**REAL-TIME FESTIVAL UPDATES**
Visit FANTASYFEST.COM for the latest festival updates.

HISTORIC ISLAND CITY ARCHITECTURE
BY MARKY PIERSON
NOW AT VESSEL FINE ART
1203 DUVAL STREET

401 Duval St
Bring the family out for some Halloween antics with your friends and neighbors. The final day of Fantasy Fest is all about the kids. It’s Children’s Day at Bayview Park, a family event featuring food, rides, games, arts and crafts and a costume contest for children.

Along with vendor booths run by local non-profits and youth organizations, supporting their year-round work in the community, there will be a variety of rides and activities, including the always popular titanic slide. Let the kids wear their Halloween costumes and take part in the costume contest, and cheer for young stars showing off their talents on the gazebo stage. Food and activity prices vary – many items will be less than $5.

HELP KEEP FANTASY FEST® CLEAN AND GREEN

Putting together a waste management and recycling program for an event of this magnitude requires lots of people working together – including all of you fantastic visitors to our island paradise. Thank you for taking an extra few seconds to find a trash can or recycling bin.

Thanks to the efforts of our sponsors, the City of Key West and its Public Works and Community Relations Departments, Waste Management, the volunteers who help with the Street Fair and the Fantasy Fest Parade route recycling is a priority and there are hundreds of trash cans and recycling bins available during Fantasy Fest.

Public Works will extend their pick up hours during the heaviest days of the festival. Please help when you see cleanup service vehicles. Let them through so they can continue the trash collection and cleanup efforts that make our city picture perfect!
