A MAP TO KEY WEST DINING

THE STONED CRAB

BARREL HOUSE

MATT'S STOCK ISLAND
The Barrel House combines the best of all worlds: barbecue, brew — and a gorgeous view.

Now open at Stock Island Marina Village, The Barrel House is thrilling fans of frosty cold brew, tasty barbecue — and 96-ounce cocktails, too.

Operated by creative visionaries at The Perry Hotel, The Barrel House combines smokehouse cuisine with Key West magic. Guests are treated to an upbeat menu of proteins by the pound including classic St. Louis pork ribs, brisket, turkey breast, smoked chicken, pulled pork, and Wagyu beef tri-tip.

Located just one bridge away from downtown, the deep water 288-slip state-of-the-art marina offers a welcoming seaside setting where breathtaking panoramas meet community spirit. The sprawling complex features two pools and an event lawn — complete with stage — where The Barrel House hosts exciting events including festive Backyard BBqs and movie nights.

Executive Chef Vel Irizarry brings to the table a wealth of expertise — and positive energy. Said the vibrant Florida Culinary Institute grad, “I’ve always had a love and passion for food.”

Immersed in the business from an early age, her background includes serving as a private dining chef at PGA National Resort & Spa. She happily shared, “My mom
was a pastry chef and my grandfather was a chef, as well.” With a warm smile, she added, “Being a chef is in my DNA.”

Today, her influence is reflected in the house-made dry rubs, custom prepared “with love” to complement each protein at The Barrel House.

Additionally, she commented that the ‘signature’ white cheddar macaroni and cheese is turning out to be a wildly popular side dish. Other delicious sides include “sweet and spicy” baked beans, potato salad, char-grilled creamed corn, candied pecan cole slaw, and cheddar biscuits — in half-pint, pint, and quart sizes.

 Appropriately, meats are prepared in a genuine barrel-shaped smoker using blends of oak and cherry wood or oak and apple with no chemical additives or liquid smoke.

Diners at The Barrel House also get to choose from a selection of sauces: sweet mango habanero, chipotle chimichurri, Carolina BBQ, or Texas BBQ.

If your mouth is watering for a hearty sandwich on a fresh brioche bun, The Barrel House is set to serve up your favorite protein — complete with pickles and coleslaw. For vegans, vegetarians — or anyone preferring a richly satisfying meat alternative — The Barrel House sandwich menu showcases jackfruit. A trendsetting option, even among meat lovers, jackfruit has garnered a great reputation as a surprising alternative to the traditional pulled pork sandwich.

Whatever you order, hopefully, you’ll have room for dessert. Made fresh on the premises, The Barrel House proudly presents ‘Sticky Icky’ pecan pie, and pineapple rum cake, plus ice cream specials.

When it comes to refreshments, The Barrel House pulls out all the stops with sweet tea, sangria, frozen cocktails, domestic and imported beer, canned wine and cocktails, as well as the most amazing 96-ounce sharable cocktails on the planet. Requiring two hands to hold, Moscow Mules, and Cadillac Margaritas are among several dramatically oversized beverage options.

The Barrel House is located at 7011 Shrimp Rd. Hours of operation are 11 a.m to 8 p.m. with expanded hours coming soon. For added convenience, take out is available. Call ahead or place your order at the bar and enjoy your favorite beverage while you wait.

As good as it gets. Breakfast on the veranda, late night dining in the restaurant, Bloody Marys and margaritas at the bar—it’s ALL GOOD!

We had a great meal of fresh lobsters with crab meat and black grouper... both fresh and well prepared. Recommend this restaurant on the water—quiet and away from the hectic Duval fun.

Loved the seafood and the red snapper was exceptional. One of our best meals while in Key West!

Just had the best paella! The chef graciously substituted some extra shrimp for the calamari. We enjoyed the shark feeding and have definitely added The Stoned Crab to our list when we are in town.

Located a few blocks off the southern end of Duval, this place is a gem. My wife and I are both Italian foodies and Abbondanza checked all our boxes. Seated right away, served quickly, wine, apps & entrées all spot on... the evening was fantastic.

We never visit Key West without at least one trip here. Love the atmosphere, service is always great and food is wonderful. Tonight was no different—we had the calabrese and eggplant parmesan. Great dinner as usual!

Such a charming restaurant. It was off the beaten path, but we stumbled upon this restaurant for lunch. Our sandwiches were delicious! Bring your appetite for the large portions!

Great place to eat, drink and listen to live music. Our first stop here was while walking in the morning. Came back later in the week for drinks and again for breakfast/lunch. The Annapolis benedict is amazing!

Make sure you come by for breakfast! One of the best meals we had in Key West this weekend. We loved it so much we went twice!

An excellent choice right on the water. Big, bright and airy, with outdoor seating. I had the catch of the day—blackened grouper, fresh and tasty—with jasmine rice and broccolini. My wife had a ribeye with potatoes and asparagus. I recommend and I would eat here again.

I could have spent the whole day looking at the incredible views, drinking and eating. This is one of the #1 places you should visit in Key West.

We had a great time and would definitely go back. Every item we ordered was delicious. Drinks were fantastic and overall experience was very pleasant. A must go!

Best breakfast ever—the shrimp & lobster omelette was the best omelette I have ever had! A must while in Key West!

The food and service were the best of the places we ate during our three days in Key West. All food was prepared to perfection. I had the coconut shrimp, which had a very generous portion, and a salad. Spouse had a combo of scallops, shrimp and lobster tail with his salad. We shared a piece of homemade Key Lime pie served with whipped cream. YUM!

Outstanding food! This is the place you should not miss! We had the outstanding tuna app. Husband had steak & lobster, I had the filet mignon—which were the best we ever had. The staff was phenomenal as well!

Well-presented, great tasting food... excellent service with attention to detail. Thank you and keep up the good work!

Fabulous experience all around! My husband and I have a home in Key West and had heard about Matt’s and wanted to try it. We went for dinner and had one of the best meals we’ve ever had in Key West! Matt’s will be at the top of our list for eating out for a long time to come!

Best breakfast we’ve ever had anywhere! We would have gone there every day if we had stayed longer!
“WHO CAUGHT IT?”

“WE DID.”

At the Stoned Crab restaurant we only serve what we catch. When we serve your seafood, you get a card like the ones above from the fishermen who caught your meal.

Seafood fraud is a big problem. Protect yourself. Always ask, “Who caught it?” or just come to the Stoned Crab. You’ll meet the fishermen on the dock.

Brought to you by commercial fishermen of the the Stoned Crab.
